TELEMARKETING

Vernon Directories is concerned about unprofessional telemarketing practices in our marketplace.

The Canadian Direct Marketing Association has coordinated an alliance of telephone companies, government and consumer groups against companies using unprofessional and illegal telemarketing.

• UPSET PROSPECTS RESULT IN LOST CUSTOMERS

The following are telemarketing guidelines developed by the Canadian Direct Marketing Association:

1. Telephone Marketers should promptly identify themselves and the organization represented.
2. Telephone presentations must be clear and honest. There should never be attempts to mislead or misrepresent, exaggerate, use partial truths, engage in deception, fraud or false pretense of any sort.
3. Normal rules of telephone courtesy should be observed. Attempts to harass, intimidate, or the use of obscene or vulgar language are unacceptable.
4. The privacy of the consumer must be respected by making every effort to make calls at a time and place convenient to the recipient. Vernon Directories recommends that the following time period for outbound calling be observed, 9:00 a.m. to 8:00 p.m. weekdays, 10:30 a.m. to 5:00 p.m. Saturdays. No calling should be conducted on Sundays.
5. Telephone Marketers should not call unlisted or unpublished telephone numbers unless a current relationship with the prospect exists.
6. Telephone orders should not be accepted from minors without adult approval.
7. Telephone Marketers should make conscientious efforts to remove names from their contact lists when requested to do so.
8. All calls should be made within the framework of Federal, Provincial and Municipal Laws.
9. Telephone Marketers should respond to the consumer in a forthright manner, providing the recipient with copies of all pertinent information upon request. Every reasonable effort should be made to ensure that a customer has a thorough understanding of his / her obligations.
10. Whenever monitoring / call observation, and / or tape recording equipment is employed all applicable statutes must be adhered to.

• VIOLATIONS OF THESE GUIDELINES WILL BE REPORTED TO THE C.D.M.A.

VERNON DIRECTORIES HELP BUSINESSES FIND BUSINESS EVERY BUSINESS DAY OF THE YEAR!

PLEASE

DO NOT LEND YOUR VERNON DIRECTORY. IT COSTS YOU MONEY EVERY TIME YOU DO.

The practice of lending your Vernon Directory is, in great measure, responsible for the increasing cost of Directory Service.

THE REASON IS:

There is a definite cost involved in the making of the Directory of your city.

This cost must be absorbed by the subscribers—be it one, or be they 1,000.

If there were but one subscriber to the Vernon Directory, the one subscriber would of necessity have to absorb the whole cost.

If there were 100 subscribers, each one would have to absorb 1/100th part of the whole cost.

If there were 1,000 subscribers, each one would have to absorb 1/1000th part of the whole cost.

It is obvious that the greater the number of subscribers the lesser the burden of cost to each. It is also obvious that the lesser the number of subscribers, the greater the burden of cost is to each.

Every time you lend your Vernon Directory you decrease the necessity for the borrower to subscribe to the service.

**MORE BORROWERS RESULT IN FEWER SUBSCRIBERS WHICH MEANS
INCREASED COST.**

GET MORE BUSINESS WHERE THE ACTION IS WITH THE EXTRA SPENDING RECENT MOVERS IN YOUR AREA.

Someone who has just changed addresses has a sudden and serious problem of far above average **NEED** for his home and family. The only solution to the problem is to spend one's way out of it. Reach movers at this important time in your sales or advertising message and you get **RESPONSE**. You get **ACTION**. You get **MORE BUSINESS** — plus a valuable new customer who may stay with you for a long time.

RECENT MOVERS BUY MORE OF EVERYTHING FOR CHILDREN. They are younger parents, with more children, younger children, more need wherever they are for all the products and services it takes to keep children fed, clothed, sheltered, educated, and healthy. A move into your area often temporarily increases the need for many of these goods and services. Children are where the action is.

RECENT MOVERS BUY MORE OF EVERYTHING FOR THE HOME. A new house is a different house. It is often larger than the home the family left behind them. Paint, insurance, garden hose, furniture, appliances, carpeting, drapes, lawn mowers, grass seed, screens, a second car, and a hefty bank loan to pay for all of it are just some of the things the recent mover needs almost all at once to bring the new home to the standard previously set for the family. Recent movers buy almost 50% more of these items than the average family. New homes are where the action is.

RECENT MOVERS BUY MORE OF EVERYTHING THEY BUY ON CREDIT. Temporarily, at least, the recent movers' needs usually exceed the ability to pay cash. The only choice is to buy now and pay later. Present above-normal requirements force movers to fill their present needs out of future income. With the recent mover, **CREDIT** is where the action is.
